How can  
**YOU**  
SUPPORT THE  
YOUTH  
*in your community  
and help prepare*  
**BUSINESS  
LEADERS**  
of tomorrow?

# What is MISSOURI BUSINESS WEEK (MBW)?

For over 20 years, MBW, co-sponsored by the Missouri Association of REALTORS® and the University of Missouri College of Business has held a challenging summer education program for Missouri students completing their freshman, sophomore or junior year of high school. Approximately 200 students, from across Missouri, attend each summer.

MBW offers students a chance to experience:

- A realistic management/marketing simulation and an introduction to the business world
- Challenging workshops and activities including leadership, business ethics and team building
- Interaction with Missouri business professionals
- Goal setting that will help them in the future, and
- College life for a week, life-long friends, and fun!

Most importantly, these students learn not only about business, but about themselves as well.

Students attend MBW on \$500.00 sponsorships, which include food and housing, facility expenses, curriculum materials and program supplies. Sponsorships are provided by businesses and organizations like yours. **Deserving students need your help!** Please complete the enclosed pledge card and support students from your area.

Contributors may sponsor one or more MBW students and may designate the student, school, or area the sponsorship is to be used for. You may make a donation in any amount to the MBW sponsorship fund. All contributors will be recognized in *The CENTER's* annual report.

**MISSOURI BUSINESS WEEK**  
*Real World Experience — Life Changing Results*

Won't you support the youth of your community and contribute to the future of tomorrow's business leaders? By contributing to MBW, you can guarantee their success and be a part of this important program.
